Located in La Cité francophone in Edmonton, the Centre provides free and confidential legal information, guidance and support to individuals facing a civil, criminal or administrative law issue.

The Centre is a user-friendly space where litigants can get access to justice in either of the official Canadian languages. They can find a listening ear, information and guidance. The Centre complements the services of community legal organizations in Alberta, and directs to the appropriate resources.

All Alberta residents can benefit from the services of the Centre, regardless of income or nature of their legal issue. Our team is there to help you in person or remotely (via mail, email, fax or toll-free telephone) during our business hours or visit our website : www.infojuri.ca
